Note:

We are not the most demanding band in the world, we just want to make the most out of every gig. If there is anything you hesitate about, just give us a call.

As long as it' s a decent one (tops, subs, crossover, time/phase aligned colour doesn' t matter)

With at least 1 verb and 1 delay (the more the better!)

4 wedges is ok, 5 wedges is great, 6 is the best!
